

Program Summaries and Application Deadlines

Now accepting applications for 2015-2016

For Luxembourg Citizens:

BOAS Grants for the LLM at Harvard, Fulbright Travel Grant

Deadline: noon on December 1, 2014

Fulbright Luxembourg is accepting applications for students wishing to pursue an LLM at Harvard during the academic year 2015-2016. Applicants should complete the on-line Harvard application form, pay the application fee and then forward your application by December 1st to Luxembourg Public Affairs (FulbrightLuxembourg@state.gov). Two candidates will be nominated by Fulbright Luxembourg for BOAS consideration. If the selected candidates are admitted to Harvard and selected to get a BOAS award by the BOAS committee, Fulbright Luxembourg will award you a travel grant of roughly €1200. For more information on the Frank Boas Scholarships, go to: www.harvardboasscholars.org.

Grants for Post-Doctoral Research or Teaching

Deadline: December 1, 2014 (Fall 2015)

Fulbright Luxembourg will accept applications in this competition from research scholars and lecturers who are assured of a position with an American institution of higher education. Scholars may undertake post-doctoral research or university lecturing for 3-12 months at one or two accredited universities or institutions of higher education.

To apply: <https://apply.embark.com/student/fulbright/scholars/30/>

Grants for Graduate Study (Master's and Ph.D.)

Deadline: December 1, 2014 (Fall 2015)

Fulbright Luxembourg will accept applications in this competition from students who have completed their higher education and wish to study or conduct research at an accredited American university or institution of higher education. The Institute of International Education (IIE) will exclusively handle student placement. Students may select 2 school options.

To apply: <https://apply.embark.com/student/fulbright/international/20/>

CAUTION Candidates must be available for personal or video interviews in English on dates specified. Under no circumstances will awards be made to candidates who are already in the United States.

ATTENTION! Scholars who have previously held a J visa in the professor or research category are not eligible for sponsorship again in those two categories for a period of 24 months following the program sponsorship end date.
